PROFILE

Qualified second-language teacher with over 10 years of experience in New Zealand, teaching both English (ESOL, PTE Academic and IELTS) and Mandarin. Native Mandarin speaker, fluent in English, with experience teaching children, adult groups and one-on-one learners. I design visual, game-based and scenario-based activities that make a new language fun and usable from the first lesson, and I create warm, positive and well-organised classes for learners of all ages and backgrounds.

KEY STRENGTHS

Two languages, one strong method
Postgraduate Diploma in Second Language Teaching; I teach English and Mandarin to learners starting from zero and beyond.

Across ages and formats
Children, adult groups and one-on-one coaching in ESOL, PTE Academic, IELTS and Mandarin.

Fun, scenario-based lessons
Real situations (greetings, family, food, shopping, festivals) with games, role-plays and hands-on tasks, so learners use the language rather than memorise lists.

Bilingual and inclusive
Fluent in English and Mandarin, I explain clearly to learners from varied cultural and language backgrounds.

Engaging visual resources
Digital (online drills, quizzes, interactive slides) and hands-on (printable worksheets, flashcards, matching cards, storytelling prompts).

Organised and reliable
10+ years of preparing materials, keeping learning records, communicating with learners and working with colleagues.

TEACHING EXPERIENCE

English Tutor — Jun 2026 – Present
MSL Training / NZIE, Auckland

- Plan and teach English classes, adapting materials to different needs, ages and confidence levels.
- Create interactive, visual and game-based activities that get every learner speaking.
- Give clear instructions, monitor progress and keep accurate class and assessment records.

Practicum Student — Oct 2024
Tippy Toes, Auckland

- Completed a teaching practicum, planning and leading learning experiences for young children under the guidance of qualified teachers.

Educator Support — Mar – Jul 2024
Baby Kingdoms (Home-based Childcare), Auckland

- Supported home-based educators and families in Auckland and Hamilton, acting as a bilingual (English/Mandarin) point of contact.
- Coordinated first aid and language course enrolments, helped families with online system access, and processed compliance paperwork such as declaration forms.
